

Are you interested in...

- Learning about Cybersecurity methodologies and tools
- Capture the flag style cybersecurity competitions and hack-a-thons
- Clinics, presentations, and information from cybersecurity professionals
- BBQs, Christmas parties, club swag, and other cool events

Introducing...

The PCC Cybersecurity Club

What's a Cybersecurity Club?

Students interested in Cybersecurity concepts and/or careers that want to collaborate with others of like mind and share in learning, competing, or discussion.

But...what does that even mean?

You're going to make us say it aren't you? Hackers. Professional, ethical hackers.

Portland Community College is ranked 8th overall on the National Cyber League's Cyber Power Rankings Spring 2020!
